ECOH**PRO**
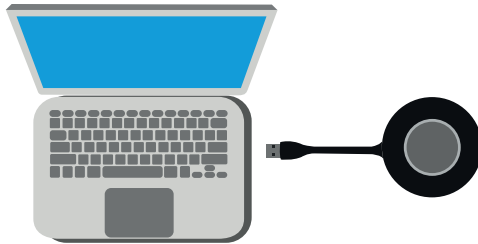

CONNECTION GUIDE

For Windows PC and Mac

1 Connect the ECOH Pro-Link Connector to your PC or Mac via USB

2 The ECOH Pro-Link Connector will flash blue and automatically launch the driver

- If AutoPlay is disabled, go to the file manager, select This PC, double click on USBDisplay under drives, and double click Launcher

- When the ECOH Pro-Link Connector has a solid blue circle, you are ready to present.

3 Press the ECOH Pro-Link Connector to share your screen
