

EZH2-DT

EZ HDMI 2.0, 4K/60 4:4:4, HDCP 2.2 over Detachable Fiber Cable w/ TotalWire Technology

The HDTools™ **EZH2-DT** provides a convenient, plug-n-play extension solution offering full 4K/60 (4:4:4) connectivity and HDCP 2.2 compliance. Detachable HDMI and DVI Tx/Rx connectors allow cable runs through conduits or other tight spaces, offering greater manageability in many installation environments. The EZH2-DT is available in pre-terminated lengths up to 100 meters.

Key Features
